FED. R. EVID. 408 MATERIAL – For Settlement Purposes Only
Subject to Federal Management Approval

Good afternoon, Michael and Matt –

Attached is a clean copy of the CD, with Appendix A, for signing purposes.

I also attach a redline comparison document showing the changes I made to the CD since the last version I sent you on January 29, 2019, all of which are non-substantive, to put it in final form for signature. As you will note, I removed the "Draft" heading, revised the Table of Contents to reflect correct pagination, deleted an empty space in paragraph 84, and made changes to the DOJ/EPA signature lines.

When we receive the signatures from your client, we will then submit the CD/Appendix to the responsible government managers for their review and approval.

As always, please let us know if you have any questions/concerns. Thank you for your cooperation, and have a nice weekend.

Best regards,
Pat
